## FOUNDERS' MESSAGE

The most important things in life are not our tangible possessions, but rather the experiences that bring us closer to each other and to ourselves. Because of this; almost 15 years of travel experience, we still regard touring as the most relaxing & a great pastime. No purchase or investment has competition to travel.

Our goal at U-Tourizmo has always been to provide such amazing journeys. Our travel suggestions include UT's customary insider approach, and our independent trips feature experienced local guides & tour managers who possess superlative knowledge of the destinations on your itineraries.

Though a journey or a tour has to end in a matter of days or weeks, its memories don't necessarily do. You and the friends, family & colleagues with whom you travel will relish your experiences together long after returning home. The people you meet and the places you see will continue to provide everlasting memories. This is worth in the perfect form: a lasting souvenir to yourself that will only improve as the years advance. We request you to walk through this brochure, and let us welcome you to an unforgettable travel experience.

Gulmarg is located at an average elevation of 2,690 m (8,825 ft). Spend the day witnessing the picturesque locales like the Golf Course (Golf kit and caddy charges optional & extra). Also take the exhilarating cable car ride to Khilanmarg Snow Point (Gondola ride up to Khilanmarg is not included in the package and Gondola ride strongly depends on weather conditions). Overnight at Gulmarg

**Day 3 Gulmarg – Pahalgam | Sightseeing at Pahalgam:** After breakfast, check out of the hotel at Gulmarg and proceed to Pahalgam. Pahalgam is in Anantnag District. It is a popular tourist destination, and every year, many tourists visit it. Pahalgam has an average elevation of 8989 feet.

The town of Pahalgam (Village of Shepherds) offers breathtaking views. One can just relax in the hotels or enjoy water rafting etc. Pahalgam is also the entry point for the famous Amarnath Cave, a holy site for Hindus.

On the way visit the Avantipur Ruins - the 1100-year-old temple dedicated to Lord Vishnu. Avantipur was founded by king Avantivarman. The site has two temples. The larger one, Shiva-Avantishvara, is marked by massive walls some half a mile beneath the town on the outskirts of village Jaubror. The subsidiary shrines are to the rear corner of the courtyard. But the complex has, over the years, lost its grandeur and has been reduced to ruins, though it is still visited by the devout.

Check in at the hotel . In the evening get a transfer to main market at 4.30 PM and drop to hotel at 6.30 PM from market. Spend the rest of the evening at leisure. Overnight stay at the hotel.

**Day 4 Pahalgam – Local Sightseeing:** After breakfast, embark on an excursion to Chandanwadi (3288 meters), Betaab Valley and Aru Valley.

Surrounded by snow-covered mountain peaks and dense pine and deodar forests, this valley is the mouth of River Sheshnag. After your tour enjoy the evening at leisure. Enjoy a comfortable overnight stay at your hotel.

**Day 5 Pahalgam – Srinagar (96 kms/3 hrs):** After breakfast, check out of the hotel in Pahalgam and proceed to Srinagar. On arrival, begin your excursion to Shankaracharya Hill Temple and Grand Mughal Gardens (Chashme Shahi, Nishat Bagh & Shalimar Bagh). Overnight stay at your hotel.

**Day 6 Srinagar:** After breakfast, embark on an excursion to Sonmarg, which is situated at a height of 2740 meters (82 kms | 3 hours one way). One can enjoy sightseeing to Thajiwas Glacier or other sightseeing points (On direct Payment).

Return to Srinagar after your excursion. In the evening, enjoy a comfortable overnight night stay at your hotel.

**Day 7 Departure from Srinagar:** After buffet breakfast you will be transferred to Srinagar airport to board your flight for respective hub.

Due to the extremely strict security measures at the airport during peak season, guests are requested to leave for the airport at least 4 hours prior to departure. We are forced to enforce this rule as there are 4 security barriers to pass before reaching the airport. Also, there are regular traffic jams for a couple of kilometers outside the airport.

## UNIQUE & EXOTIC DESTINATIONS

A big part of travel is that feeling you get when experiencing something completely new, something you haven't seen or done before. Many travel destinations offer an amenity or two that other places don't—but there are only a few locations in the world that offer a truly unique experience.

Some of these places are wonders of nature—a spot where the flora or fauna can't be found elsewhere, or where the mountains stretch the landscape to impressive formations. Other destinations are unique because of man-made features—entire islands created out of sand, underwater museums designed to decay, or hotels shaved from ice.

The arrangements were made and I approved the new speed with the group. A suggestion for the future that while creating forms always go for International Claims of Invoice as Lot of standards are present and sometimes Local forms you have to get the approval of local customs.

Dear Mr. Sirjan,

Thank you for your letter. I have enjoyed the trip with you. You had tried your best to be as good as us on all the days of tour. The selection of trains and their own good, especially that of Mysore as being.

For you suggested I wanted to make it to, you could have thought of a trip between Bangalore-Mysore by Indian train, but any case, however, in which those who wanted to see and that facility would have had the experience of traveling to a better train. It may be better to take their leave for experiencing and purchase whereby they may get more days about the place.

Hope this will not surprise you in any way.
